STATEMENT OF SUBSTANCE OF INTERVIEW
PURSUANT TO 37 C.F.R. 133(b) and MPEP 713.04

On November 22, 2005, the Examiner granted the Applicants' attorney the courtesy of a telephonic interview. The purpose of the interview was to discuss the Examiner's advisory action, as well as the Applicants' previous response. In particular, the Applicants' attorney noted that the Examiner's advisory action did not comment on the Applicants' request for reconsideration given their belief that the references of record were not prior art under 35 U.S.C. § 103(a), as explained in the Applicants' previous response. After additional review of the response during the interview, the Examiner agreed that the Applicants' point merited further

investigation, and requested the Applicants' attorney to call back on November 28, 2005 (after the Thanksgiving holiday).

As requested, the Applicants' attorney called the Examiner back on November 28. During that conference call, the Examiner indicated that he had discussed the Applicants' application with his Supervising Examiner earlier that morning, and that they both agreed to re-open prosecution of the application on the merits. The Examiner further indicated that additional searching may be performed. The Examiner further requested the Applicants to file this interview summary.

The Applicants believe the above remarks to be fully responsive. Favorable action is solicited. The Applicants kindly invite the Examiner to contact the undersigned attorney by telephone, facsimile, or email for efficient resolution, if there are any remaining issues.

Respectfully submitted
SANDEEP K. SINGHAL, et al.
